

Annex no. 1

The information to be provided by applicants and the criteria applied for the assessment of the potential suppliers and producers

1. Copy of the decision to register the enterprise;
2. Copy of the certificate of assignment of the tax code;
3. Copy of the license for the production or supply of electricity;
4. Proof of experience in electricity supply – 24 months of experience as an individual applicant or as part of a group of electricity companies with at least 60 months' experience;
5. In the case of power companies in the Republic of Moldova - copy of the balancing contract signed with TSO;
6. Proof of the absence of debts for the previous year for taxes and contributions in accordance with the legal provisions of the country where the interested party is registered;
7. Copy of financial reports for the last two years;
8. Statement that the interested party is not in bankruptcy or liquidation proceedings and/or has suspended its economic activity.

The criteria are cumulative. None of the interested parties may proceed to the next stages of the electricity procurement procedure unless it is included into the list of pre-qualified suppliers.
